

THE HIDDEN MESSAGE OF THE BIBLE

made by mindstrid.com

The beginning and the end of the Bible have an interesting relation since a great number of characters and scenes that are introduced in Genesis are displayed again in Revelation. Furthermore, the problems that are raised at the beginning of the Scripture find their solution at the end of the text.

This represents an overwhelming proof of the unity of the Bible, whose message has a clear purpose.

THE BEGINNING – GENESIS

THE END – REVELATION

God created the heaven and the earth – Gen 1:1	God makes a new heaven and a new earth – Rev 21:1
The light was created – Gen 1:3	The Lamb is light – Rev 21:23
